What is it?

What do we use it for?

What did you use before?

How has this technology changed your n  
life?

Can you use it to improve your English?

What is it?

What do we use it for?

What did you use before?

How has this technology changed your

life? Do you use it to improve your English?

## Correct Answers?

What is it?

*It's a DVD player.*

What do we use it for?

*We use it for watching films.*

What did you use before?

*Before we used to use a VCR.*

How has this technology changed your life?

*It has become easier to watch films in English since 20 years ago.*

Can you use it to improve your English?

*It is possible that I use it to practise my listening.*

## Correct Answers?

What is it?

It's a DVD player.

What do we use it for?

We use it for watching films.

What did you use before?

Before we used to use a VCR.

How has this technology changed your life?

It has become easier to watch films in English since 20 years ago.

Can you use it to improve your English?

It is possible that I use it to practise my listening.

## Correct Answers?

What is it?

It's a DVD player.

What do we use it for?

We use it to watch films.

What did you use before?

Before we use d to use a VCR.

How has this technology changed your life?

It has become easier to watch films in English in the last 20 years.

Can you use it to improve your English?

I might use it to practise my listening.
